MISSION & PURPOSE

Members are called to serve God by tending to the places where Catholics worship. Their efforts add to the splendor of the traditional ceremonies performed by the clergy - Masses, Wedding, Funerals, First Holy Communion, Baptisms, Confirmation. Monitor areas used for devotional worship and private meditation.

RESPONSIBILITIES

- Keeping the sanctuary and adjoining areas clean
- Keeping the sacred vessels polished
- Maintaining the vestments in good order
- Keeping the altar linens cleaned and pressed

QUALIFICATIONS

No special skills needed. Just a willingness to devote time to help make our church a shining example of a well-cared for worship area.

TIME COMMITMENT

Minimal. The schedule is such that two members are assigned to work together during a given week on a day convenient to their schedule. Washing and ironing of the altar linens is done at the members chosen time.
